*Late News –Tournaments - HTR People*

The HTR Monthly Report is converted from a Microsoft Word Document to a .pdf file for viewing with the free Adobe Reader. The newsletter may be viewed while on-line or the file can be downloaded to any computer hard-drive for off-line reading and printing.

Each month, the current edition of the HTR Monthly Report is available on the Internet from our members' web site only. This is not a free newsletter, it is included as part of a paid subscription to HTR's monthly download service (\$119/mo). Selected articles can be found on the free HTR web site (see back page for web addresses). The HTR Monthly Report is expected to be available around the 5th of each month. If you prefer to have the newsletter printed and mailed to you (first class postage) a one-year subscription is currently \$79 in the U.S.A. and Canada. International rates are slightly higher.

All proprietary rights to this material belong to KM Software. No portion of this product may be reproduced, copied or transmitted on the Internet without the express written consent of KM Software. All articles and information in this newsletter are written by Ken Massa unless otherwise stated. Test data files are provided with permission from Handicappers Data Warehouse and Equibase Corp. The test results, analysis and opinions found herein are those of KM Software only - Handicappers Data Warehouse and Equibase Corp are not responsible for the written contents of this newsletter and cannot be held accountable for any claims made in it.

The HTR Monthly Report is converted from a Microsoft Word Document to a .pdf file for viewing with the free Adobe Reader. The newsletter may be viewed while on-line or the file can be downloaded to any computer hard-drive for off-line reading and printing.

Each month, the current edition of the HTR Monthly Report is available on the Internet from our members' web site only. This is not a free newsletter, it is included as part of a paid subscription to HTR's monthly download service (\$119/mo). Selected articles can be found on the free HTR web site (see back page for web addresses). The HTR Monthly Report is expected to be available around the first of each month. If you prefer to have the newsletter printed and mailed to you (first class postage) a one-year subscription is currently \$79 in the U.S.A. and Canada. International rates are slightly higher.

- [12] Late News –

The HTR Monthly Report is converted from a Microsoft Word Document to a .pdf file for viewing with the free Adobe Reader. The newsletter may be viewed while on-line or the file can be downloaded to any computer hard-drive for off-line reading and printing.

Each month, the current edition of the HTR Monthly Report is available on the Internet from our members web site only. This is not a free newsletter, it is included as part of a paid subscription to HTR's monthly download service (\$119/mo). Selected articles can be found on the free HTR web site (see back page for web addresses). The HTR Monthly Report is expected to be available around the first of each month. If you prefer to have the newsletter printed and mailed to you (first class postage) a one-year subscription is currently \$79 in the U.S.A. and Canada. International rates are slightly higher.

All proprietary rights to this material belong to KM Software. No portion of this product may be reproduced, copied or transmitted on the Internet without the express written consent of KM Software. All articles and information in this newsletter are written by Ken Massa unless otherwise stated. Test data files are provided with permission from Handicappers Data Warehouse and Equibase Corp. The test results, analysis and opinions found herein are those of KM Software only - Handicappers Data Warehouse and Equibase Corp are not responsible for the written contents of this newsletter and cannot be held accountable for any claims made in it.
